

Learning to be a leader at the ballot box and in our communities

Excitement is brewing with our new [national partnership between Girl Scouts and the League of Women Voters](#). The Girl Scouts of Oregon and Southwest Washington ([GSOSW.org](#)) and the [LWVOR](#) are collaborating to promote leadership and democracy.

The **Voter Girl Project** is a proprietary GS badge program developed by [LWVKent](#) used across the country. LWVOR purchased the program to offer **Voter Girl Badge Day** events for [Citizen and Democracy badges](#).

Leagues and Girl Scouts can build relationships

Local Leagues and Units can appoint a Girl Scout liaison to receive communications from Voter Girl. Together we can develop creative, meaningful and fun avenues for Girl Scout connections!

Voter Girl facilitates League and Girl Scout collaborative activities:

[Oregon Mock Student Election \(OSME\)](#)

[Vote411](#)

[LWVOR Youth Council](#)

Join in candidate forums, voter registration drives, legislative action days

Support Girl Scouts and troop leaders in their civics education and service projects

Mentor [Girl Scout Gold, Silver and Bronze Award projects](#)

Offer civics leadership experiences at Girl Scout STEM Day, Changemaker Cafe and GS events

Collaborate with the GSUSA [Promote the Vote Campaign](#) and [VOTE411.org/girlscouts](#)

We invite Leagues and Girl Scouts excited about our new collaboration to contact the Voter Girl Coordinator at VoterGirl@lwvor.org.
