

KATE BROWN
Governor

October 24, 2022

Dear Oregon Educators and Students,

I encourage you to join the League of Women Voters of Oregon in the 2022 Oregon Student Mock Election.

The Oregon Student Mock Election program teaches students about the importance of voter engagement. Learning to vote in the Mock Election, while students are still together in school, can establish the voting habit early, encouraging lifelong civic engagement and empowering our students to improve their futures.

Sincerely,

Governor Kate Brown
